

SCORE SOME SERIOUS SAVINGS.

OFFER ONLY AVAILABLE UNTIL APRIL 30 – DON'T MISS OUT!

ALL NNR MODEL CAB CHASSIS

With 4,500kg – 6,500kg GVM, Isuzu's NNR models are serious light trucks. And they come in short, medium and crew cab models. Best of all, you don't need a truck licence to drive most NNR models.* But at this price stocks won't last, so head to Taig Bros and take a serious look at a new NNR now.
